

Ilham Dosdiyev

Front-End Developer

Profile

Passionate and motivated frontend developer with a strong foundation in HTML, CSS, and JavaScript. Hands-on experience with modern frameworks like React.js and React Native, including tools like Vite and Expo for fast, efficient development. Enthusiastic about building responsive, user-friendly applications and continuously learning to stay up to date with the latest technologies. Eager to contribute to dynamic teams, solve complex problems, and bring creative ideas to life.
